**Re: Request for Certificate of Correction**

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.323.

A petition under C.F.R. 1.182 is required to correct the alleged errors in incorrect inventor's name or order of inventor's names, since inventor's names are printed solely in accordance with the typed/printed names (not the signatures), and since non-initialed and non-dated changes are not taken into consideration. Therefore, no correction is in order here under the provisions of Rule 1.322 and /or 1.323 (required fee currently \$100), unless a petition is granted (See M.P.E.P. 605.04(b)).

In view of the foregoing, your request, in this matter, is hereby denied.

Any request under 37 CFR 1.182 (required fee currently \$130.00) should be directed to the following address or facsimile number:
